AccuCode

BY ADVOCATE

Setting New Standards in Coding Excellence.

ADVOCATE’s AccuCode Service is simply the fastest and most accurate coding solution on the market. Turnaround is less costly and less of a hassle for billing managers. It can be used as a permanent solution to eliminate chronic backlogs or to provide overflow coding coverage. Along with our advanced solutions, we’ve got the most experienced coders in the industry. Each coder is CPC certified. It can be used as a permanent solution to:

- View global periods in patient history.
- Ensure coding quality with audit function.
- Leverage key CMS and commercial coding edits.
- Provide quick set-up & go-live.
- Decrease compliance risk.
- Lower denial rates.

The end result for your practice is improved revenues, lower denial rates and a faster, more compliant revenue stream.
