Increase Revenue. Decrease Costs.

GET TO KNOW THE BENEFITS OF ADVOCATE INSOURCE TECHNOLOGY.

The ADVOCATE Insource system has helped successfully process tens of millions of procedures for medical providers like you. Insource offers a best-in-class RCM system – with no upfront costs. And it provides a full physician billing platform that is set up and ready to begin billing. Benefits include:

- **Manageability** – The ability to view every process at every step improves revenue.
- **Effectiveness** – A complete RCM process designed to maximize revenue.
- **Efficiency** – The system is designed to achieve efficiencies that reduce and control costs.
- **Seamless Processing** – Superior results can only be achieved through a dedicated RCM process that is seamless from beginning to end.
- **Results** – Speak for themselves.

Supporting Your Business Every Step of the Way.

At ADVOCATE, we've seen first-hand the challenges and costs that practices face when evaluating, buying and setting up a new billing system. That's why we don't just sell a product and turn it over to you. We offer support throughout the set-up process – with hands on training from experienced staff. And that support ensures that your practice will have no hassles and no lost revenue during the implementation process.

“ The ADVOCATE Insource system was easy to install – with no upfront costs, no hardware outlay and full support by experienced staff. All this and the best full-service offering available! ”
